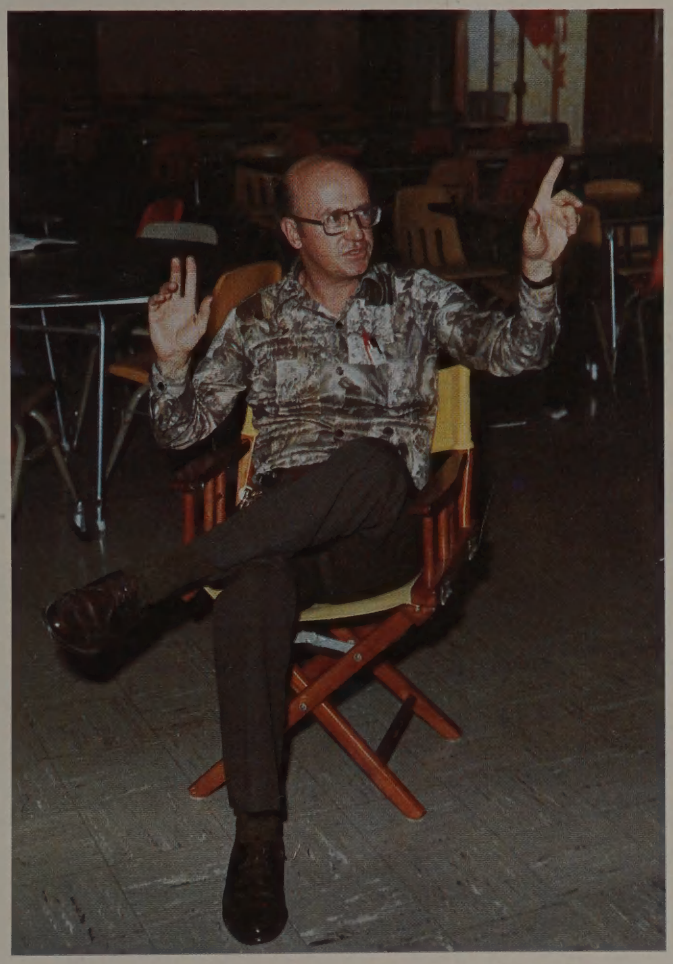
Lennox U.S.A...Home Of The Lancers

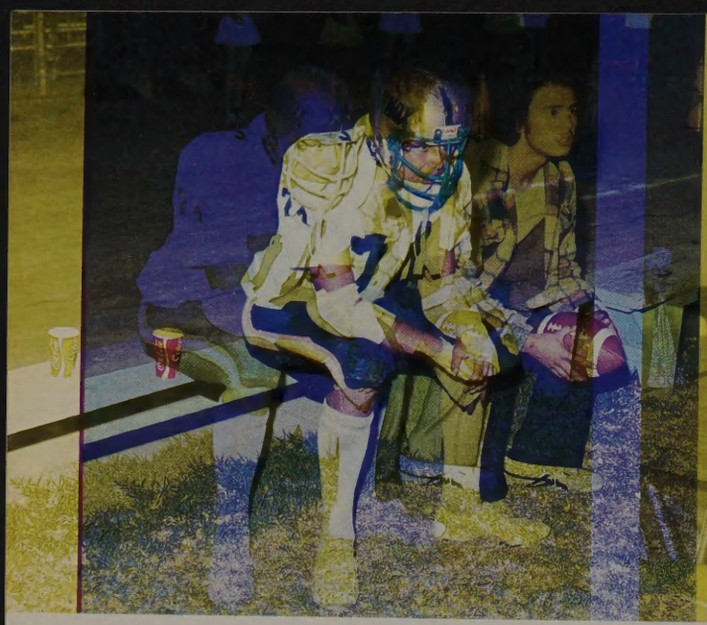


A special world within a world.

A home away from home.

And a place where we spend some of the most precious years of our lives.

This is the record of one of those years.



Lennox Is . . .

Lennox High School is a state of mind. As such, it is different things to different people. And no two individuals will ever experience it in exactly the same fashion. Here are a few feelings the roving TROUBADOUR reporter uncovered.

Lennox is. . .

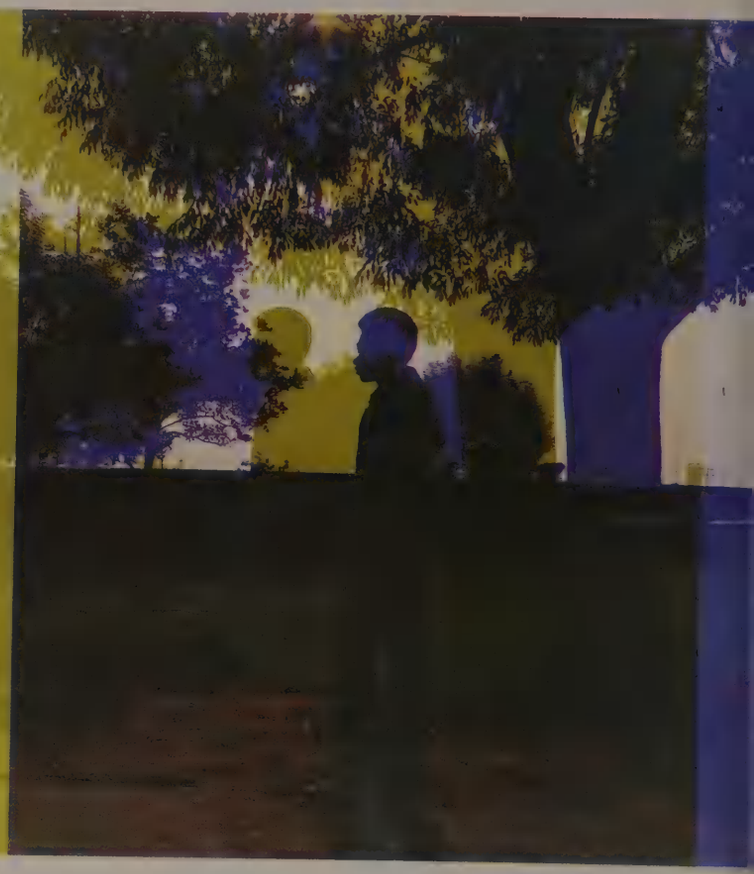
- a relaxed and comfortable campus
- a community center—it's for everybody
- a gossip factory
- much better integrated than where I was before
- a small international world of its own
- a boring place most of the time
- a school with caring counselors
- just a place I have to go to
- the school we worked to save
- I don't know!

At Lennox I work, play, laugh, cry, eat, eat, eat, learn to know myself and others better, walk around in Birdland, learn to cope, to share, to stretch, to grow. Oh, Lennox is lots of things!

But you will have to supply your own answer, for each one of us sees Lennox through his own frame of reference. And LHS is not the same from year to year or even from day to day. And neither is life!

Moods, Feelings And Emotions Of

Lennox



Happiness, Friendship And Service

Some Of The Many Faces Of Lennox

Practice Performance And Triumph

Winning a contest, entertaining the fans or learning a skill—all of these can be time well spent, if we but make them so. The choice is ours.

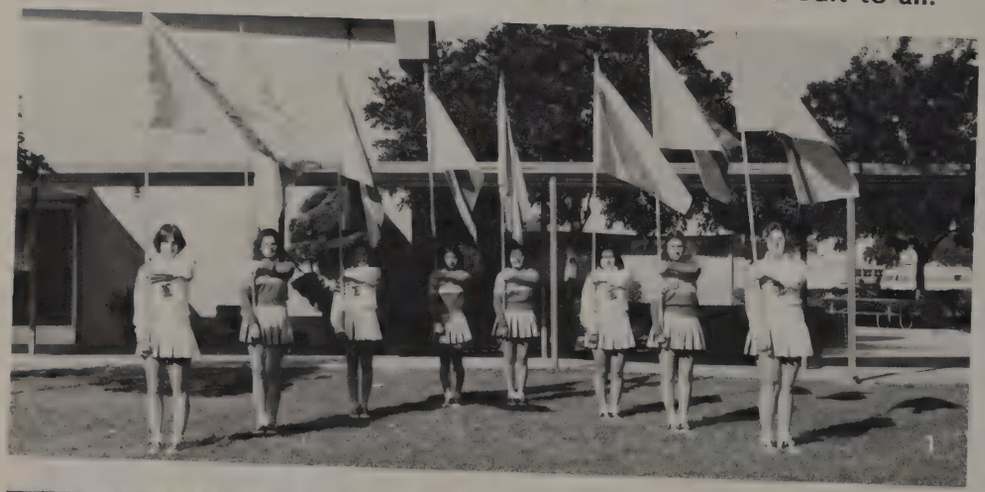
Music Makers Spark Spirit

Colorful half time routines during football games, lively music for dances, assemblies, Christmas, spring and noon concerts, and competition parades were all part of the year's routine for the spirited Lancer bands. Led by Mr. Norman Furutani, the music makers are so much a part of life at Lennox that they are often taken for granted. LHS owes a special vote of thanks to these enthusiastic Lancers who bring pleasure and credit to all.



1. Flag bearers lend movement and color to half time shows. Vicki Jones, Linda Rigsby, Monica Uhart, Amparito Naranjo, Ruth Culqui, Maria Campos, Christina Chronis, Robin Shelton.
2. The Lancer marching band comes up with another entertaining half time show to keep spectators happy.
3. Lancers will miss Drum Major Bill Sandusky who has given four years of outstanding service.
4. Multi-talented band director Furutani lends helping hand during a routine. His versatility has been a strong factor in the musical program at LHS.
5. STAGE BAND - FRONT ROW: Craig Callaway, Ken Brown, Dion McKinzie. TOP ROW: Mr. Furutani, Darrel Butts, Harry Medina, John Kries, Henry Mitchell, Keith Chustz, Ena Heredia, Bill Sandusky.
6.What would assemblies be without the stage band? Their lively music has brought a brighter mood to the campus.
7. Some artists just can't bear to face their public? Or could it be the other way around?

The Spirit Specialists

Energetic cheerleaders and song girls boosted team and crowd morale throughout the year. Long hours of practice to be selected for the squad was only the beginning. Summer camp, parades, rallies and numerous athletic events followed in rapid succession. Whatever the event, encouraging school pride and spirit was always the worthwhile aim of the 1977-78 pep squad.

Swain Spearheads Lance News Staff

This was both an enjoyable and productive year for the LANCE. Once again, the enthusiastic staff of Lennox High's paper measured up to high journalistic standards. Throughout its twentieth year of circulation, editor-in-chief Steve Swain and the entire staff kept the Lancer faculty and students well informed with their up-to-date reporting and up close, personal coverage.

Witty columns, deep opinion articles and in-depth editorials highlighted editor Swain's final performance as a Lancer journalist and four year LANCE staff member.

Advisor Lee Hayashi, who guided the group through the intricacies of putting out a paper, also accompanied them on numerous conferences and write-offs.

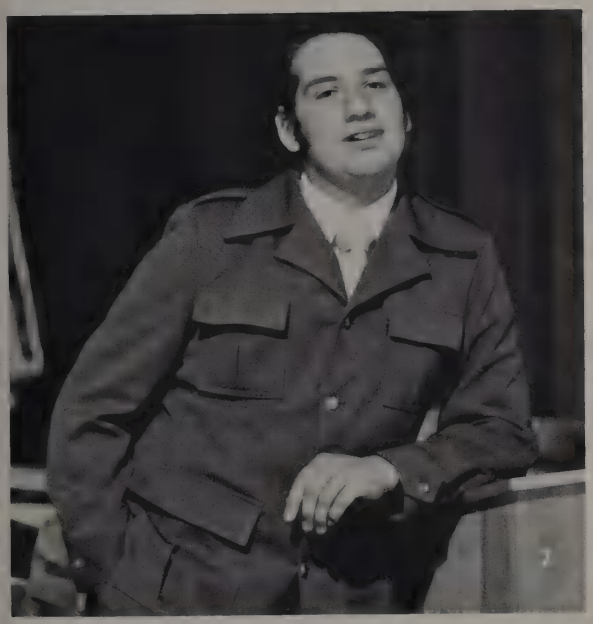
Thespians Score With "Room 222"

The successful production of "Room 222" marked the return of drama to LHS. With Mr. Carroll Hauser as director, an enthusiastic cast made this story of life at a large city high school in the 1960's come alive. Against a background of daily classroom routine, teachers and students alike experienced triumphs and disappointments, as they struggled to establish their identities and work out the conflicts of human relations.

Accolades go to the hard working cast and crew for an evening of fine entertainment.



1. A concerned Pete Dixon (Emery Newsom) studies ways to help students and fellow workers.
2. James Victor captured the spirit of the long suffering and always understanding principal.
3. Room 222 experiences another day of life and learning!
4. Teacher Dragen (Raymond Kent) and supervisor Murphy (Nettie Harkness) exchange educational theories.

Welcome To Lennox, Anne Muthoni

I have been very fortunate to have come to such a wonderful school. I really love Lennox High because it's a small, friendly school. I had a wonderful time here, and I'll never forget all my friends. Especially, I'll never forget the Lancer spirit.

I can't believe the days are going by so fast and the wonderful times are all soon coming to an end. I'll always remember Lennox High and all its people, and I'll always keep in touch. It is my hope that Lennox, with its hardworking students and teachers, will keep growing day by day. I'll miss Lennox. Lancers, keep it going!

Clubs Promote International Understanding

Clubs come into existence because people feel a need for them, and they serve many purposes. Some thrive, grow strong and last; others reach a peak and gradually die out; some never get beyond the struggling stage. What makes the difference? Perhaps the best answer lies in the people who make up those clubs, and the strength of their belief in the value of what they are doing.

American Field Service and the Pan American Club are two active groups who work to promote intercultural understanding on the LHS campus and throughout the sphere of their individual influence. While their purpose is a serious one, they share fun and light-hearted companionship.

AFS worked with the Centinela Valley chapter to sponsor Anne Muthoni from Kenya. They also enjoyed trips, movies, slides and speakers who gave them many cultural viewpoints.

Highlight of the year for the Pan American Club was their outstanding Valentine's Day Dance, featuring a special performance of cultural dances. Mrs. Jagosz, Mrs. Johnson and Miss Garcia were advisors.

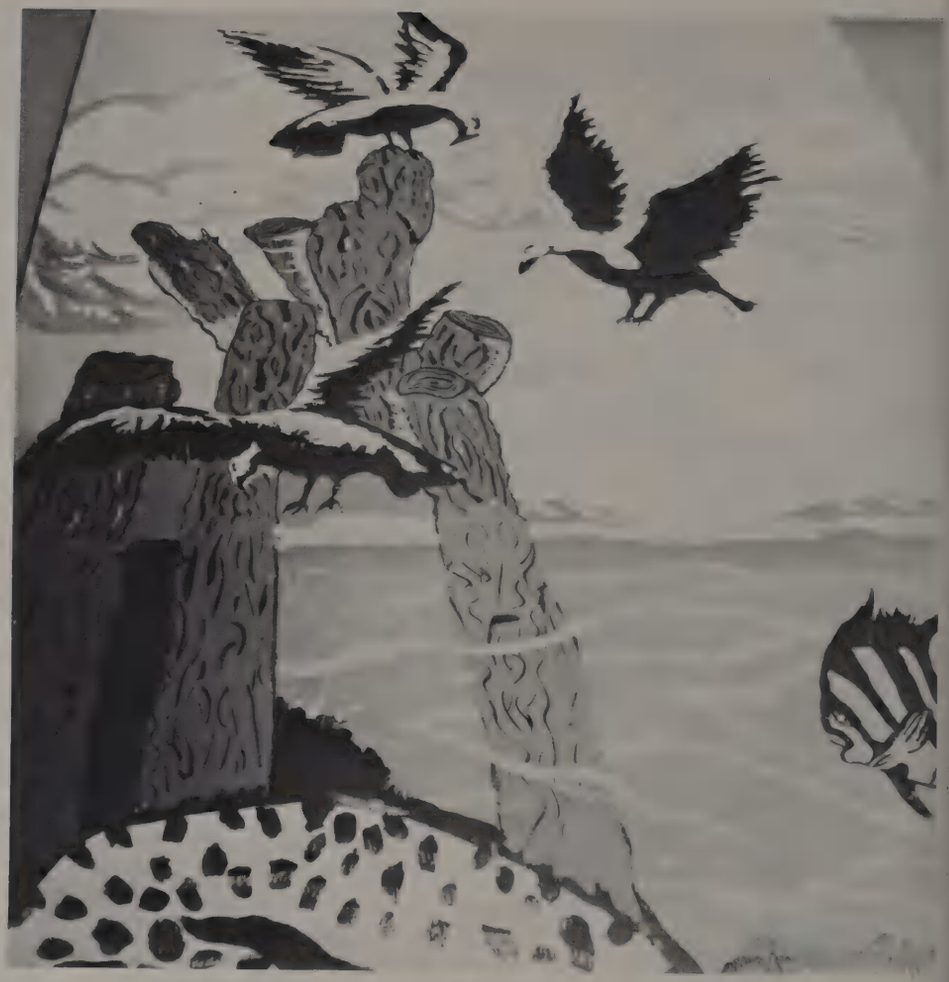
Creativity Enriches LHS Environment



Under the direction of Mr. Allan Stein, student artists work to improve the quality of life at LHS. Murals on buildings and in the cafeteria, library displays, and the annual art show are some of their most important contributions.

Vocal music reappeared on the campus this spring when Lancers had the opportunity to sign up for chorus, with Mr. Don Ladin as instructor. The sound of voices raised in song is good to hear, and students look forward to an expanded program of music.

Peer counseling is a form of artistry in communications and human relations. The group of dedicated Lancers pursued a training program that prepared them to counsel with their peers as they seek to make life more meaningful. Working with faculty advisor Mrs. Edel Lungo was a privilege.

Lancer Leaders Always Active

You see them all over campus, busily promoting activities, school spirit, and doing the countless things that make LHS a better place. They are the members of the student body assembly and cabinet. President Paashka Jefferson led the governing body in the fall semester, with Emery Newsom taking over the top office in February.

This year the annual events such as homecoming, charities week, spring sports week were supplemented with donkey basketball, the Lennox carnival, the George Sharp hypnotist show, and the multi-cultural week. The "big one" of the year was the dance held in cooperation with the other three schools of the district. Serious learning also took place as Lancer leaders attended coordinating meetings and the CVIDC leadership camp.

Dramatists Provide Entertainment

"Since this play is like a melodrama, we urge you to cheer the hero and heroine and hiss the villains. Booing is also encouraged whenever the mood strikes you. Applause is welcomed at the end of the play or whenever you feel so inspired." With this advice to the audience, Lancer thespians swung into their version of "The Mystery of Mouldy Manor." It was entertainment replete with spiders, snakes, thunder storms, vases that toppled when someone was about to be murdered, portraits with rolling eyes, and the indispensable ghost. It all added up to excellent farce and another successful production.

Staff Changes Yearbook Style

Early in the year the 1978 Troubadour staff decided to try for a different look. This is not so easy as it sounds. Until an individual sees the inner workings of yearbook production, he cannot fully appreciate the limits of money, materials to cover, time, energy and creativity! We tried. We hope you enjoy our efforts. We extend special thanks to the faculty and students who gave understanding support and cooperation.

Our Thanks To Some Friends

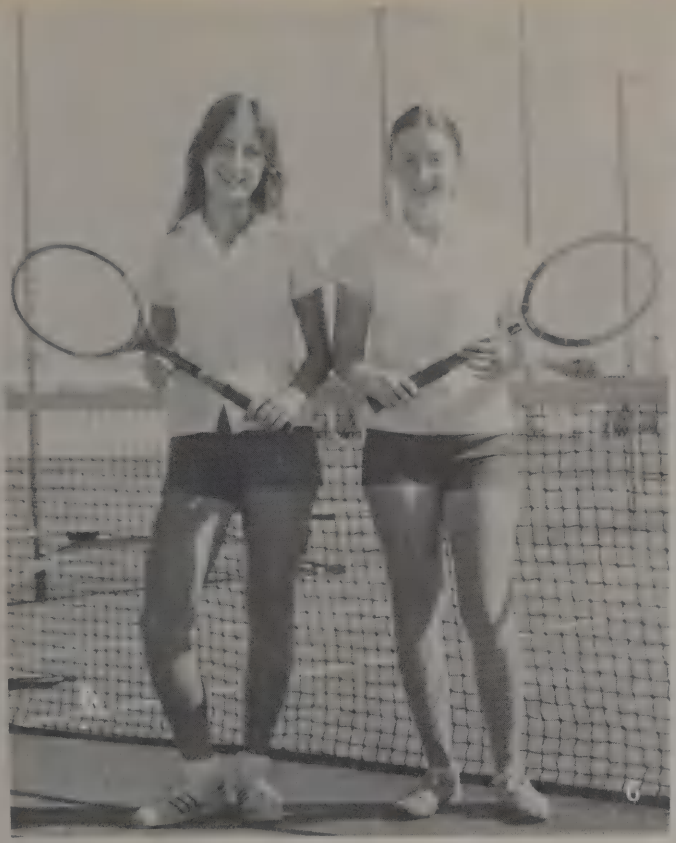
This year the Troubadour inaugurates the practice of according recognition to students, faculty and community members who have given unstinting service to LHS. The people shown here are only a small portion of the many individuals who bring credit to our school. Others will be recognized in the future. The Troubadour is proud of these builders who represent the finest in Lennox.

1. Mrs. Shirley McAhren, PTA president, for her concern for the welfare of Lennox students and her total involvement and support in all activities that build a better school.

2. Mr. Lee Hayashi, a sensitive, dedicated teacher, especially active in the AFS program. He is always willing to go out of his way to build understanding between people and to see that students are given every opportunity for personal development.

3. Mr. Allan Stein for years of dedication to the development of the creative arts program. His encouragement of artistic talent and respect and concern for students as people are attributes of quality teaching.

4. Jeff Arbogast for service as football trainer. He has attended every game for three years and helped to take care of all injuries. Jeff plans to attend college and become an athletic trainer.



Who Have Served Lennox Well

5. Mrs. Lucille Mitzel for her 17 years of steady, quiet, constructive service to LHS and warm, gentle humanitarianism.
6. Maria Kosmetatos and Jenny Roles who represented the Pioneer League in tennis doubles in the CIF individual tournament. They are the first LHS feminine athletes to go to CIF.

Lennox Offers Wide Spectrum Of Activities

A growing aspect of education is in the field of career and work experience. Many Lancers take advantage of the specialized training offered at the Southern California Regional Occupational Center. Others learn by doing while enrolled in the work experience program. Some remain in campus classrooms to receive their business education.

These interests are carried over into the activities of the club known as Future Business Leaders of America. Closely allied in its interests is the Legal Rights Club which is concerned with the study of individual rights as they relate to the world in which we live.

Please Read

Yearbooks do not just happen. They require a staff knowledgeable in artistic layout, good writing, and mathematics - and the willingness to work extra hours. And it takes money to produce a book. Sales alone are not enough, so we turn to the business establishments in the community and our friends among the students, faculty and parents for help. We want our sponsors to know that we are grateful for this support so we chose to feature them in a prominent spot in our 1978 TROUBADOUR. Too long have they been tucked away in the back of the book. They are indispensable, for without them there would be no TROUBADOUR. We want all Lancers to know this.

When you join the Coast Guard you don't have to kiss everything goodbye.

Do I have to give up my car? My social life?

During your first nine weeks in basic training the answer to those questions will be yes.

But when it's over, things will change. And you'll begin to see the Coast Guard as it really is You'll go on to advanced training either at a school or on the job.

And when your job is done and you're off duty, your time is your own. Then you can get into your personal interests. Which you just might enjoy more than you do now. Because every job in the Coast Guard comes with a paycheck (over $400 a month right after basic training). Most of that is yours to keep because of the benefits we provide.

And that's just the beginning. Because as you earn advancement, that paycheck gets bigger.

It all adds up to a pretty unique lifestyle. And that's one of the reasons the Petty Officer in the picture is smiling.

Wrestlers Place High In League

Although the Lennox grapplers weren't successful in winning dual meets because they had little heavyweight power, their strong desire and class resulted in an outstanding year. Under Coaches Jim Quesenberry and Dan Hernandez, the matmen consistently won match after match in the 98-148 weight division even though they were always outmanned. At all times, the team personified spirit, courage and togetherness.

Veterans Rolando Manlagnit and Ed Delzer had exceptional seasons as they came out on top in Pioneer League finals to qualify for CIF competition. Other league standings were Olivares, second; Harril and Alvarez, third; and Bax, fourth. With Alvarez, Castro, Harril and Kocis returning, the wrestling outlook for next year is promising indeed.

1. Champion Ed Delzer goes after another win.
2. Rolando Manlagnit struggles for the inches necessary for a pin.
3. Aggressive Jesus Alvarez pins Inglewood foe.
4. James Bax drives his opponent into submission.
5. A quick reversal carries Castro to victory.
6. "Grizzly" Olivares works on El Segundo adversary.

Injury Plagued Lancers Post Disappointing Season

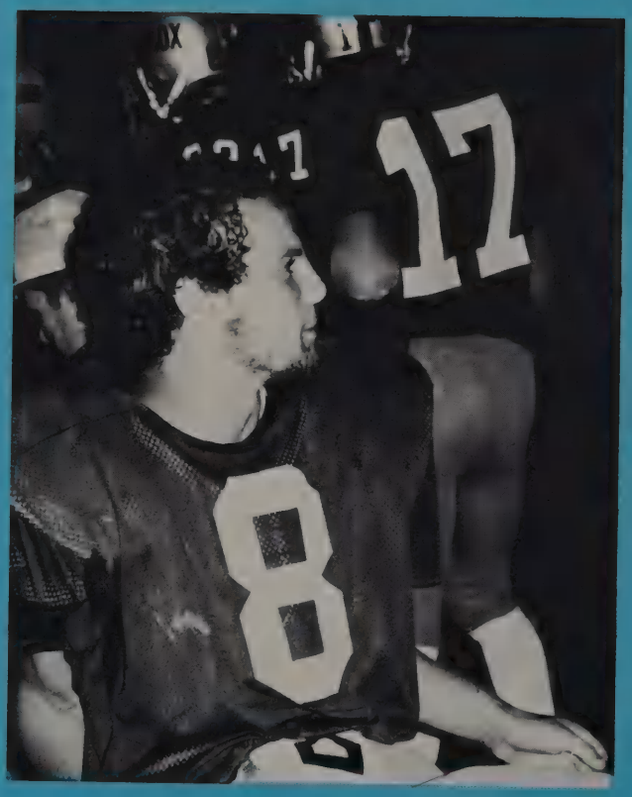
Although the "Trophy" did not return to LHS this year, and the scoreboard did not reflect a winning season, Lennox could still be proud. With outstanding players like quarterback flanker Rick Falero, wide receiver Herbert Trevlyan and running backs Jesse Campos, Alvin Pierre and Ralph Sanchez, the Lancers produced an interesting season for their loyal fans.

Lennox got off to a roaring start by scoring a 14-7 upset over Antelope Valley, 1976 2-A CIF champions. Highlight of this game was a spectacular interception by safety Shot Propps, who raced 100 yards to wrap up a victory and warm the hearts of Lancer rooters.

Injury was the key word this year. Hampered by injuries to such veterans as top quarterback Carlos Napoles, Joe Battig and George Sotolongo, LHS still wracked up a 14-7 win over Harvard and took the measure of the Redondo Seahawks 14-13.

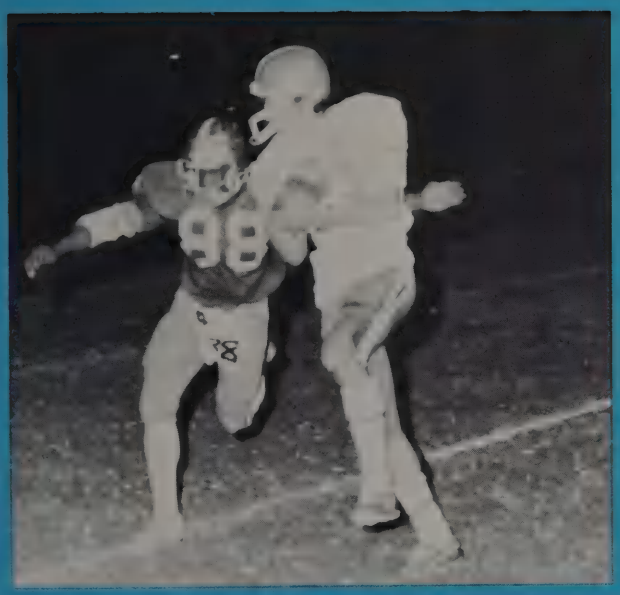
In their homecoming game against Aviation, the Lancers proved they had spirit, pride and were a team of toughness. Putting a tight squeeze on the favored Falcons, Lennox fought hard, but suffered a heartbreaking 7-13 loss with only seconds left in the game.

A strong defense and good work by backup quarterback Bob Daniels marked the year's action. Head coach Mark Jacobs, assisted by Scott, Dinsmore and Escheverria, worked hard throughout the season in their efforts to put together a winning combination.



1. A stacked defensive line by the Lancers gives Leuzinger Olympians a bad time.
2. Carlos Napoles watches a tense moment against Antelope Valley. Injuries benched the highly touted quarterback.
3. Sotolongo hurls himself into a behind-the-line tackle against a Miraleste Maurader.
4. Another extra point for the field goal bunch as Ed Heskett and Rick Falero set up a successful play against Aviation.

1. Tony Winbush comes through with a great defensive play against Leuzinger.
2. Harvard opponent feels the full impact of a two-handed grab by Chot Propp...
3. Who wants to be the opposing quarterback with Crazy Joe Battig playing for the Lancers!
4. "Come on, fellas, forget the photographer and concentrate on practice!"



Sophs Garner 3-5 League Record

The season started poorly for the Sophs with losses against powerhouse schools Antelope Valley and Palos Verde. Going into league action, lack of key personnel caused problems. A 7-6 defeat by Lawndale was followed by losses to Miraleste and Leuzinger before the Sophs put it all together to finish 3-5 in the league.

Offense standouts were quarterback Barron and running back Campos. The defensive unit was led by Soria, Richardson, Caballo, Kosmata and Manlagnit with Cepeda and Lopez as receivers.

1. Justiniano puts end to Lawndale charge.
2. George Lopez heads down field.

Frosh Display Strong Effort

Although the freshman football team experienced a frustrating season, some individual standouts brightened the picture. Doing an exceptional job at several backfield positions were Wilford Chandler and Mirko Merencio, while the team's leading scorer and receiver was Todd Wadman. The most consistent offensive and defensive linemen were Mike Kocis, Rene Morffi, Willie Mitchell and Alberto Montagudo.

Looking back over the winless season, Coach Quesenberry commented, "Lennox can be proud of its freshmen gridders who often had to play 'both ways' and injured."

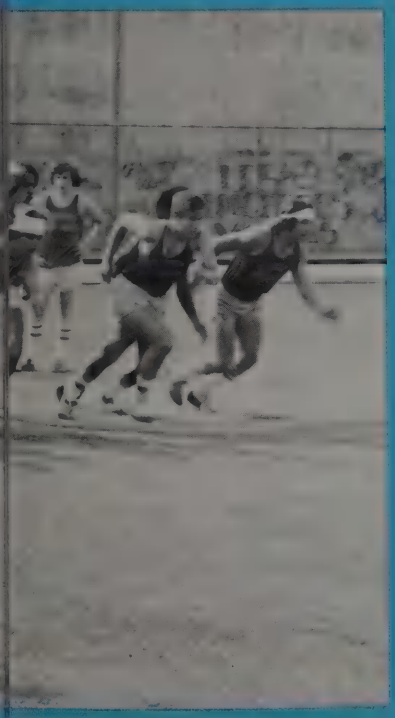
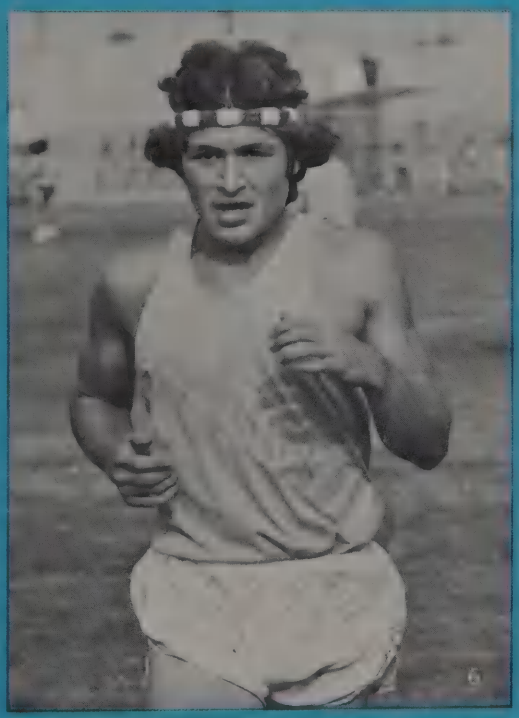
Runners Take League Title

All successful athletic teams have dedication, determination and excellence. The 1977 cross country team showed all three qualities. Many runners began to prepare last summer as they ran hundreds of miles. The league championship and CIF was their goal.

When a tie with El Segundo made league finals the championship show-down, determined Lancers proceeded to win the Pioneer League. Qualifying for the CIF prelims as a team for the first time, they went to the finals, finishing as one of the top ten teams in the 2A division of CIF.

In the words of Coach Karella, "They knew what they had to do, and they did it! All of their hard work paid off, and I can honestly say they were a credit to themselves and to their school all year long. I'm so very, very proud of them!"





1. Coach Karella gives sound advice and encouragement at all times.
2. Super star Carmelo Ruiz, individual champion of Pioneer League, El Camino and Northridge Invitationals.
3. Senior Juan Yepez helps bring Lancers their first Pioneer League championship.
4. Ed Delzer's face shows the concentration and drive that took EHS runners to the CIF finals.
5. The gun sounds and the team is off and running against the El Segundo Eagles. Ricardo Gonzalez works to make Lennox the best small school team in the South Bay.

JV Netters Show Growth

For the first time since girls' tennis began at Lennox, the local JV netters boasted a full team of nine players. Spirited competition, good sportsmanship and team work were much in evidence during the 1-9 season. The high point occurred when the JV squad scored a sweet victory over their Leuzinger rivals.

At the close of league play, Luz Rivera captured honors as the most improved player. Esperanza Arafet received the coveted ideal athletic attitude award, while Barbara Nikkel was named most promising player of the year.

Varsity Netters Display Spirit

"The most exciting and emotional game of the season" – this was the feeling voiced by Coach Kovinick about the close 8-10 loss to Centennial High. The tremendous team work put forth in this match was most satisfying.

Despite a 0-10 season record, the varsity players refused to be losers in spirit.

Jenny Roles and Maria Kosmetatos scored a doubles league record of 11-14 to become runners up in the league individual tennis tournament. This duo also tied for most outstanding player honors.

Jana Butts was named most improved player and Maria Formosa copped the ideal athletic attitude award.

5. Jenny Rules and Maria Kosmetatos accept accolades as most outstanding players for the year.
6. Maria Formosa won coveted ideal athletic attitude award.
7. Good sportsmanship is the name of the game, and Lancers excel at this.

Squad Shows Great Spirit

This was a year of learning and fun for the girls' soccer team. Competing in a strong league, the inexperienced squad never lost spirit nor enthusiasm during the losing season. With this attitude and the improvement that occurred steadily throughout the year, the feminine booters look forward to next season's competition.

GIRLS' SOCCER - FRONT ROW: Blanca Rojas, Sonia Rivera, Oraida Alfonso, Mayra Gaitan, Chris Garcia, Patty Moreno. BACK ROW: Linda Matthews, Luz Rivera, Maria Millares, Sheila Grisham, Ena Heredia, Lorena Abdo, Silvia Ordaz, Maria Jaime, Latasha Payne, Coach Cecilia LeBlanc.

Varsity Spikers Clinch Fourth

An inexperienced but highly enthusiastic and competitive varsity volleyball team knocked off a tie for fourth place in the strong Pioneer League.

Team captain Juanita Prada, the one returning veteran from previous competition, was picked for the CIF second team. Prada also lead the Lancers in service points and in spiking. Lupe Ibarra took the lead in setting, along with Morayma Merencio and Cris Garcia.

VARSITY VOLLEYBALL - FRONT ROW: Cris Garcia, Connie Mares, Reina Pinto, Juanita Prada, Coach Collette. ROW 2: Lorena Abdo, Rosa Pinto, Morayma Merencio, Lupe Ibarra, Brigitte Kessee.

Building Year For JV Squad

Finishing the season with a disappointing 2-8 league record, the hard working JV spikers nevertheless had their share of exciting games and victories. The young team steadily gained skill and confidence as the season wore on. With this experience and tough competition came more cohesive team work and a more aggressive style of play. Excellent groundwork was laid for next year's performance.

2. Another successful set up by captain Juanita Prada, most outstanding varsity spiker.
3. Hard hitting Brigitte Kessee goes up in the air for this one!
4. Good team work by the entire squad brought victory in this match against Morningside.

Young Team Shows Promising Future

Inexperienced is the word to describe the LHS varsity basketball team whose starting lineup consisted of a sophomore, 3 juniors and a senior. Roland Gutierrez took over the coaching reins for the first time, and together the young squad and new coach provided an interesting season.

The varsity started strong by defeating Lawndale 51-46. Then came a loss to Harvard, the only game of the season in which the Lancers were decisively outplayed. For the first time in 12 years Lennox took a clean sweep of the El Segundo Eagles.

Star player Lonnie McDaniels was named first team All Pioneer League guard. Other top performers were Andy Rankin and Rick Falero, who was high scorer. Mike Haney led in rebounds and Chris Saiz in number of turn overs. This year was a period of individual improvement and building team unity. With six varsity players returning next year, Lancer fans look forward to a productive and exciting season.

JV's Set 5-5 League Record

In a season of ups and downs, the Lancer JV team scored 5 wins and 5 losses to break even in Pioneer League action.

While Coach Andy Furuto's basketeers had their share of exciting competition, the final game of the season against the Leuzinger Olympians was the real thriller. In their final appearance, the JV's outplayed their cross-town rivals to win by 21 points.

Standout players on the squad were Allison Cooper, Raul Ponce and Leroy Collins, who set the pace in team play, spirit and unity.

Young Hoopsters Gain Confidence

Both the freshman and sophomore basketball teams had up and down seasons which featured some fast moving action and sparkling individual performances.

Suffering from lack of height, the sophs finished the season with a 4-6 Pioneer League standing. One of the most exciting games for Coach Julian Olague's cagers was a see saw battle against the Hawthorne Cougars. The locals finally won by a single point. This game was indicative of the balance in the league and the sophs' fighting spirit. Outstanding players included Andre Brooks, Felipe Darrell, Michael Diaz and Willie Lee Harris.

Under the guidance of Coach Don Bohannon, frosh hoopsters were able to pick up one big 30-28 victory over Lawndale. Although it was a losing season, the young squad showed steady growth and turned in some interesting games. Leading scorer was Kevin Rachall with consistently high point production.

Varsity Booters Kick Their Way To 10-5 Season

Winning their first five games, the varsity soccer team entered Pioneer League play with spirited momentum and determination. Although their dream of a league championship never materialized, Coach Joe Owen's booters posted an outstanding 10-5 season record. Highlights of the competition were one-sided wins over Harvard and Cathedral. An unusual feature of the season was the experience of slipping, sliding and hydroplaning through a game played in driving rain.

Juan Yepes, Jose Garcia, Alejandro Olmedo and Tommy Silva led the squad in their balanced and aggressive attack.

JV's Capture Third Place

The JV soccer team's 6-4 Pioneer League record was good enough for a third place finish and gave them an exceptional year with an overall record of 9-6. By winning two out of the last three matches, Coach Pulido's booters capped a season that included spirited streaks and flashy play from its young players. The natural talents of Jesus Rayo, Jesus Gonzalez and Juan Alonzo were especially instrumental in bringing about the JV's successful season.

1. Lancer Juan Alonzo defends against Culver opponent.

Rough Season For Tracksters

The will to win very often overshadows the lack of manpower, and this was certainly evident in the 1978 varsity and Frosh-Soph track. Combining team unity and Lancer spirit, the squads always made their best efforts to put their opponents to the test. This was especially true in the El Segundo Relays where Lancers captured 11 medals.

Varsity tracksters were greatly undermanned and some squad members competed in three and four different events. Throughout the season, multi-talented Curtis Washington and Mike Stachowiak sparked the team in leadership and competitive drive.

Lively Season For Feminine Hoop Artists

The GIA varsity basketball team had a suspensful season. Despite their win-loss record of 1-11, the team played impressively and improved greatly through the season. Each game was exciting, with many ending in close scores.

Although young and inexperienced, the JV squad developed a strong team unity that earned them an 8-4 season record. Freshman Sharon Houston led the squad in shooting, while Tammy Puyol and Sybil Parks were outstanding in the rebound department.

Racket Squad Takes Opener

The 1978 varsity tennis team opened Pioneer League competition with a 15 ½ to 12 ½ victory over Inglewood. As the yearbook went to press, the netters were playing their second league match against Culver City. At this early date, the prospects of finishing high in the standings appear to be remote, for this is a young team with only one senior on the roster.

Roles, Garrido, Hokanson and Collins handle the singles play. Doubles strength is with Lee, Kim, Deseriere and McDonough. The future is bright!

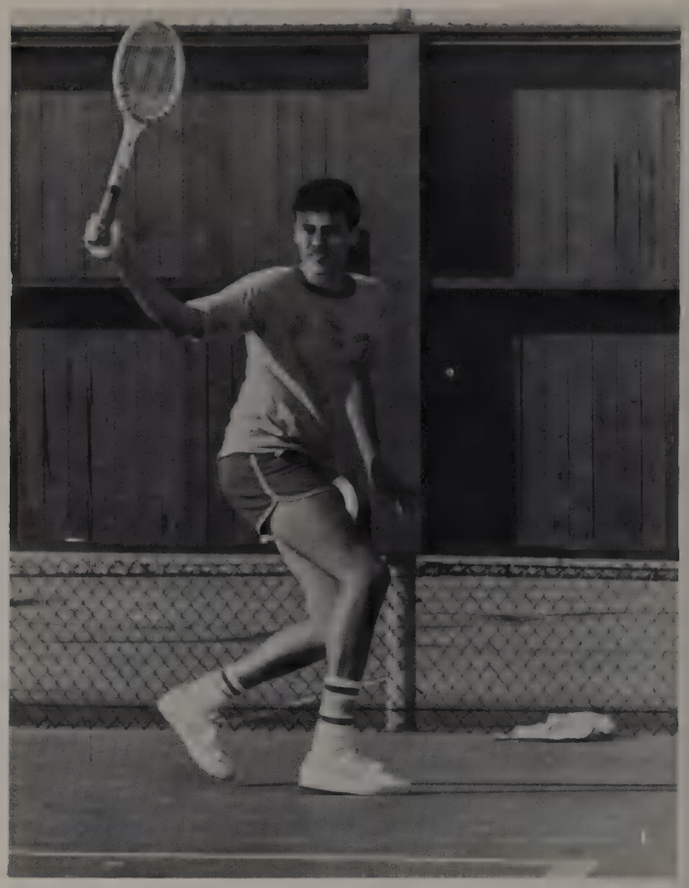
JV Netters Gain Momentum



Determination describes this year's junior varsity tennis team, coached by Marian Kovinick. California's unusual season of rainy weather caused the JV's to miss two weeks of much needed practice so they fell behind in the development of their skills. Still through many hours of extra practice, the team gathered the potential to pull off some season-ending upsets in Pioneer League play. Two of the steadiest and most consistent players were Darrel Butts and Ramiro Zambrano.

1. Ramiro Zambrano and his backhand go hand in hand.
2. Raul Ponce's forehand heads down the line.

JV TENNIS - SEATED: John McDonough. KNEELING: Ramiro Zambrano, Jose Formosa. STANDING: Carlos Culqui, Rick Kocis, Danny Rodriguez, Chris McClane, Rene Trespalacious.

Varsity Nine Shows Balance

At press time, varsity baseball was just getting underway. After dropping their first game to Beverly Hills, the Lancers came back the next day against Charminade to win 8-7 on a suicide squeeze. A tough contest against Torrance resulted in a league loss for the locals. Returning lettermen from last year's championship team were George Sotolongo, Oscar Amaro and Miguel Ibarra. Moving up from the JV's to bolster the squad were Nick Cepeda, Ed Delzer and Greg Olivares.

New head coach Jerry Perez had high hopes of finishing strong in league play, commenting, "At this point, the pitching staff looks sound, the outfield has speed, and the infield, with the exception of first base, is up to 3-A division level. I think we are going to surprise a lot of people."

1. Rounding third base, Jose Verona heads for home as Coach Robert Scott waves him on.
2. Oscar Amaro applies the tag to his Torrance foe.

Backwards Dance Is Fun For All

Take colorful decorations, good music, and informal dress; add the unusual theme "Love in a Cornfield" - and you have the very enjoyable LIA Backwards Dance. The evening's fun was further enhanced by the reversal of the traditional male/female roles and the imaginative "dress alike" outfits that enterprising couples created. Once again, the LIA came through with a memorable highlight of the Lancer spring social season.

1. "Love in the Cornfield" - theme of the 1978 Backwards Dance.
2. Craig Callaway tends the dancin' music for the crowd!
3. Robert Torres and Margaret Jones dance the "Stairway to Heaven."
4. Barbara and Yenko sit this one out.

Roxanna Reigns As Grid Queen

Popular Roxanna Manlagnit reigned as 1977-78 Grid Queen. Selected to serve in the court was senior princess Renee Naranjo and junior princess Schalonda Williams, while Christina Chronis and Donna Bax represented the sophomore and freshman classes. Honorary princess Anne Muthoni, Lennox High's AFS student from Kenya, completed the cast of homecoming royalty.

Homecoming Week Raises Spirit

"Star Wars" was the theme chosen for this year's homecoming celebration. The week long schedule of games, class competition and grid court elections was climaxed by the arrival of Darth Vader at the year's most spectacular assembly. Evening festivities included the traditional presentation of the grid queen and princesses during the game against Harvard and a special dance in honor of Queen Roxanna and the homecoming royalty.

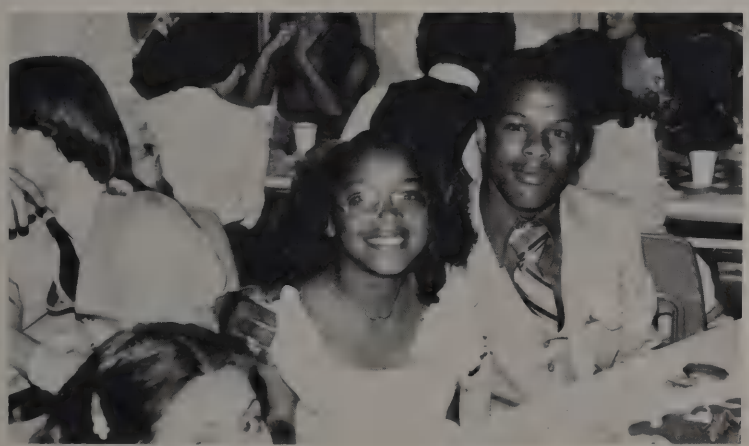
Christmas Dance Highlights Year

Glittering snowflakes, candlelight, delightful Disney characters, a colorful Christmas tree and Santa Claus all combined to make "Fantasy and Frost" an unforgettable evening.

The special occasion was the annual Christmas dance where couples danced to the disco music of the Ace Duce Dance Corporation from 8 to midnight.

Once again, a hard working and creative pep squad, assisted by the drill team, provided an outstanding event and happy memories for social minded Lancers.



1. Obviously Sandy VanderLinden and Danilo Felker think this is a great evening!
2. Santa receives an enthusiastic welcome from Vanessa Sulam and Ruth Culqui.

For Funds . . . And Fun

Charities Week featured a canned food drive, competition obstacle course, auction of male and female slaves, and a door decorating contest. The annual Christmas rally topped off the festivities where fun and games netted money for a worthy cause.

Students Gain Sweet Revenge!

Although it was difficult at times to distinguish between the players and the donkeys, this year's donkey basketball game once again proved too hilarious to stand... so the players sat - and sat. It was almost impossible to move the crazy four-legged beasts. Indeed, it often seemed to be an encounter of people vs stubborn animals, rather than a battle between students and faculty. However, the students, playing a more potent and patient game, slaughtered the faculty 30-22 and thus avenged defeats of the past two years.

1. Maria Campos can't quite seem to put it all together.
2. Unmolested, except by the donkey, Paul Aziz provides the students with two more.
3. Connie B does her version of close encounters of the four-legged kind.
4. Graceful and determined, Anne Marie Sommerstad nevertheless blows the shot,

1. Jim Quesenberry was the faculty's dominant force.
2. "C'mon, you critters, we're missing the game!"
3. "Hey, who's riding whom?"
4. Jesse Campos rides, glides and slides for that big win over the faculty.
5. Soccer coach Owens displays magnificent form!

Lancers Elect Young Cha Queen

The uncertain weather that brought rain and overcast never dampened Lancer spirits nor deterred their annual Spring Sports Week. The student body elected charming Young Cha as their queen and chose a court of princesses to represent the various spring sports. For the first time in the history of LHS males entered the royalty race, giving a new slant to accepted procedure. Tradition prevailed, however, and the royal court remained feminine. We salute Young Cha, a queen to be proud of.

New Faces Seen In Top Offices

Like her advancement from assistant principal to principal in 1977, Marie Boryan hopes that Lennox High also keeps advancing in the years to come in its "friendliness, closeness, variety, and most importantly, its LANCER PRIDE."

A former assistant principal at Leuzinger, Boryan has been impressed with the "heartwarming reception and cooperative support given her as the new principal. An energetic, enthusiastic and well organized leader, Boryan stresses the need for faculty and students alike to "meet and accept the challenges that arise so that Lennox becomes an asset and a multi-cultural center for the community."

LHS Perseveres

When the 1977 Troubadour went to press, the future of LHS was hanging in the balance. Then came the announcement: Lennox would be closed in 1980. Varied emotions and feelings were voiced - some loudly with the media listening; some privately with an almost sad acceptance of what seemed to be the inevitable. But the public voices prevailed and a second edict set aside the announced closure, pending further study.

Amidst the changes and the unanswered questions, a somewhat uneasy and uncertain administration, faculty and students worked together to make the 1978 school year one to be proud of. Together, they have built on the small school closeness that has always been one of the most precious qualities of Lennox High.

SECOND SEMESTER OFFICERS - Margaret Clemmens, secretary-treasurer; Bob Daniels, vice president; Young Cha, president.

'78 IS GREAT!

It began in September 1974 as Freshmen and ends June 1978 with graduation. In between has been an endless - and varied - assortment of activities to defray expenses of the prom, senior day, and Disneyland grad night.

Under the energetic leadership of first semester president Marianne Miller, seniors completed plans for the prom. The inevitable candy sales and gym nights were augmented by a movie-of-the-month, lemonade and button sales, and plans for class T-shirts. The panorama picture was made, announcements chosen, and cap and gown measurements taken.

At mid-term, president Young Cha and cabinet continued the fund raising activities and planned the graduation ceremony, that time when all the efforts, the triumphs, the disappointments, the fun times, the sad times become memories and the Class of '78 takes its place in LHS history.

FIRST SEMESTER OFFICERS - Marianne Miller, president; Roxanne Manlagnit, vice president; Young Cha, secretary-treasurer.

Seniors Reflect On Lennox Years

MAI THANG: As a foreign student, I am very appreciative of how Lennox High treated me. To all the nice teachers and friendly students who helped me a lot in getting along with people in language and in culture, I thank you very much.

DAWN LEMKE: Being a senior is a feeling of both happiness and sadness. It is sadness because of all the goodbyes, and happiness because of the future and everything that lies ahead. Good luck to all of my classmates.

TERRY SPIECKER: It's nice to know there's an end to LHS's "long and winding road." now it's on to the freeway.

BILLIE MARTIN: I like the caring teachers, some classes and the good memories. I disliked the boring classes, getting up to go to school in the morning - and homework!

EDWIN DELZER: I will miss my "coaches" and the sports, my teachers and my four "unforgettable years here at Lennox."

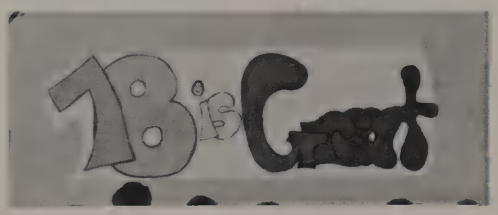
PAM SWOBODZINSKI: The smallness of the school is good. Teachers are your friends. My counselor has been helpful. Some of the noon activities and rallies were great, but I don't like the music at noon and the dullness of the every day routine.

ANNE MUTHONI: I really like the teachers because they are so friendly and always there when you needed them. I will miss our Lancer teams and the helpful students. The good thing is I'll always remember them wherever I go.

DONNA CROWELL: Graduation is both happy and sad. Friends and a lot of the teachers are among my best memories of LHS.

RICARDO FALERO: I will miss LHS, but I would go crazy if I stayed here another day.

CONNIE MARES: I'll miss my friends, but the friendship we shared will never end.



DEBBIE HYRNY: Lennox is all right; it's better than a lot of schools. I don't think enough of the people have any spirit. I have enjoyed my friends and some of the teachers.

MIKE GLADDEN: Aw, come on, Mrs. Ton, put my track picture in. After all, I did all those Lancer cartoons for the book, didn't I? What more do you want?

NOTE: Yes, Mike is responsible for the clever cartoons in the 1978 Troubadour. Thanks, Mike. They add a special touch!

YESMIN JUSTINIANO: Most of all I have enjoyed the variety in nationalities on campus and the fact that everyone gets along well. But I waited three years just to be first in the snack line during lunch time - and then there was always a group of lower classmen cutting in!

ANN BOHLKE: Lennox has changed in the past few years. The spirit is down and the people don't seem interest ' I am ready to move on to som , else.

RALPH SANCHEZ: It's been an experience because I didn't picture high school the way it is at Lennox. I feel at home here and not like I'm at a prison.

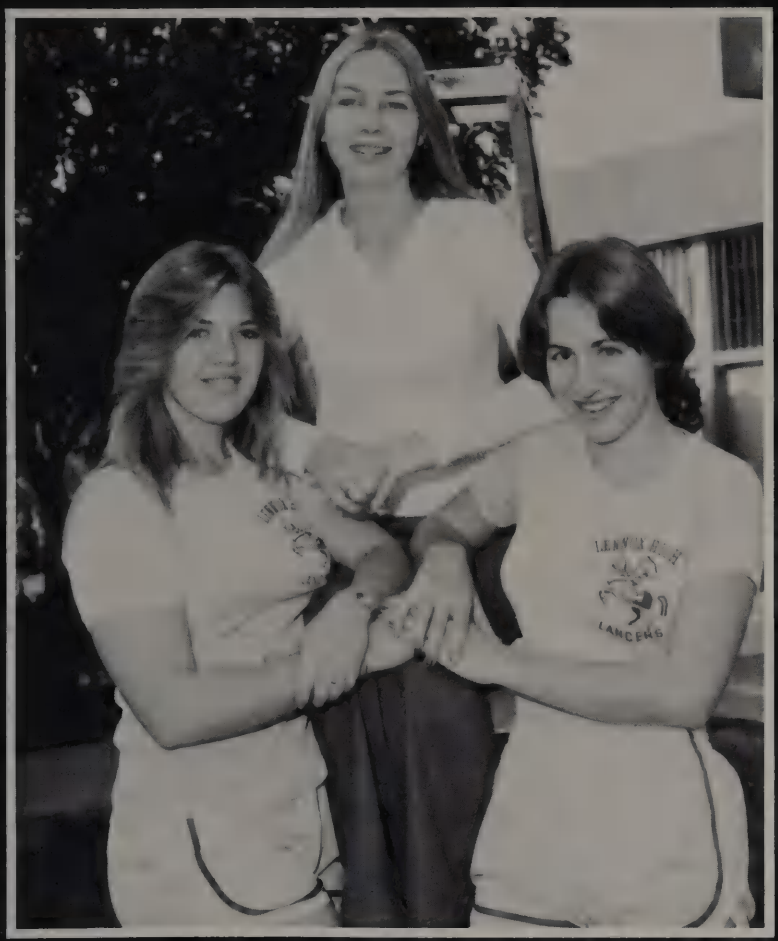
LYNDA LOPEZ: I've enjoyed all my years at Lennox, but it feels strange to be leaving because I've gone to school all my life!

ROBERTA BANKS: I'm glad to be leaving, but I will miss all my friends. Goodbye, Lennox!

RITA COOPER: I will always keep in memory the leadership, friendliness, thoughtfulness and services from the Kiwanis Club that sponsor the Keywanettes and Key Club.

BRUCE WHITE: Lennox High has been a great time of friendship. There have been some wrong times, but they just fade away. I liked the clubs, teachers and the activities. Lennox is one of the best.

'79 IS FINE!



Active Juniors Work On Spirit

"79 is Fine" became the unofficial slogan for the juniors as they forged ahead with activities to make this a banner year. The inevitable money making schemes occupied much thought, time and energy, and the usual candy sales and gym nights were on the schedule. To give the year a different touch, a few new activities were planned, including a peanut and raisin sale and a car wash.

Under the leadership of presidents Vickie Jones and Beverly Bavaro, the juniors engaged in spirit raising activities and a new look appeared in the rooting section in the form of blue and gold pompoms, a mirrored sign, and more colorful posters.

Beverly Bavaro brought honors to the class and to LHS when she was chosen as an AFS student to represent us in a foreign country this summer.

Faculty sponsors helping the Class of '79 were Mrs. Fran Rinks, Mrs. Gail Waterman and Mr. Bob Scott.

MIGHTY '80

Sophs Come Alive

More at home after one year of seasoning, the sophs have become an integral part of LHS life. After a somewhat slow start, "Mighty '80" gathered momentum and came alive to make a strong bid for first place in class competition rallies with imaginative signs, colorful cards and ear splitting yells. Their efforts paid off, for the class beat out the perennial senior winners for the first time in rally competition.

Candy sales, gym nights and the spring sports dance were among the activities sponsored by the second termers. Much of the improved spirit is due to the interest of class sponsors Mrs. Edel Lungo, Mr. Charles Hamilton and Mr. Jim Quesenberry, who were always there to lend encouragement and ideas. Now the sophs look forward to becoming upperclassmen.

1. FIRST SEMESTER SOPH OFFICERS: Christina Chronis, vice president; Linda Rigsby, president; Ruth Culqui, secretary-treasurer.
2. SECOND SEMESTER SOPH OFFICERS: Maria Kosmetatos, president; Doyle Kosmata, vice president; Michelle Martinez, secretary-treasurer.

THE CLASS OF '81

Frosh Adjust To Life At Lennox

Some were bewildered and confused; some were scared and lost; and many found more difficult classes, more homework and stricter policies on tardies and absences. But the freshmen soon adjusted and began to enjoy the rallies, sports events, dances, making new friends, and becoming acquainted with counselors and teachers.

As the year progressed, the young class entered into school activities and soon became evident in the art, drama, music and sports programs. Under the leadership of their elected officers, they sponsored gym nights, candy sales and noon dances to fill the treasury. They were aided by class sponsors Ms. Anne Marie Sommerstad and Mr. Jerry Helpin.

A year of learning and being low class on the totem pole is over! The Class of '81 is on its way.

1. SECOND SEMESTER FRESHMAN OFFICERS: Denise Mercado, vice president; Stephanie Ragin, president; Toni Moore, secretary-treasurer.
2. Frosh quickly adjusted and soon were seen everywhere on campus.
3. FIRST SEMESTER FRESHMAN OFFICERS: Detria Jones, president; Colleen Houston, vice president; Donna Bax, secretary-treasurer.
